

# EARLY INTERVENTION PARTNERS PROGRAM

Little Village provides specialised intervention led by qualified therapists that include speech & language therapy, occupational therapy, physiotherapy, behaviour therapy, and academic support. Our mission is to support children with communication and learning difficulties reach their potential.

Little Village is pleased to offer the below Early Intervention Partners Program proposal to your educational establishment for your review and approval. Kindly review the proposal to ensure it meets your establishment's expectations.

## Services Provided as per the Early Intervention Partners Program

Little Village Center will provide the below services -

- Three training seminars free of charge to the school teachers and/or parents per academic year
- Free online developmental and language screening of children attending your establishment
- Discounted Consultation fee of BD30 (original price BD50) for your students
- Special therapy package for your students inclusive of individual speech, behaviour therapy, academic support, and occupational therapy twice a week for a fee of BD180/month (original price BD200 per month)

Your school's information and logo will be added to our social media accounts and website as LVC Early Intervention Partners to help your registered parents know of the discounts & services they can receive.

Should you require any additional information not stated above, please do not hesitate to contact the center via email on [hello@littlevillagecenter.com](mailto:hello@littlevillagecenter.com) or contact Ms. Abrar Darwish directly on 36699224
